Cabbage Seed is our leading **Specialty**, and we recommend **BACK'S Own Strain** to any one who wants the **Best**.

BACK'S Strain of Cabbage Seeds are grown in the Northern Part of Denmark, from the very **Best Selected Stock**, by reliable Seed Growers, whom we know personally, and we firmly believe **BACK'S Strain of Cabbage Seeds** to be the most **RELIABLE YOU CAN BUY**.

BACK'S Strains of Cabbage Seeds are True to Name.

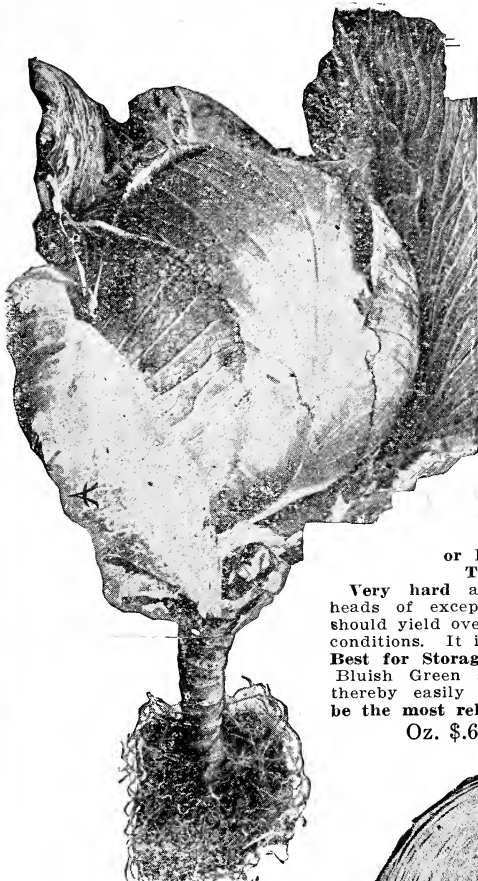

BACK'S Strains of Cabbage Produce the Biggest Crops.

BACK'S Strains Produce Large uniform Heads.

BACK'S Strain Can be Depended upon.

All Seeds of BACK'S Strains are Disinfected by us.

The germs of some of the worst cabbage diseases such as **Black-Rot** and **Black-Leg** have been found to overwinter on Cabbage Seed, thereby causing loss of entire Fields. For this Reason We Disinfect **All our Cabbage Seeds of BACK'S Own Strain**, Thereby making it **Superior** to all other Cabbage seed.

BACK'S Hollander

Wisconsin Hollander

"Yellows" resistant strain of cabbage developed under the direction of the University of Wisconsin, at Racine, Wisconsin. Its disease resisting qualities are amazing. Our Wisconsin Hollander seed is grown for us by one of the best growers in Racine.

Oz. \$1.25. $\frac{1}{4}$ Lb. \$4.00.
Lb. \$15.00.

Back's Copenhagen Market

Best Early Cabbage

The heads are exceptionally large, very solid and of most excellent quality. The plants are vigorous but compact with short stem. **BACK'S Strain Produce** very large round heads.

Oz. .60. $\frac{1}{4}$ Lb. \$2.00. Lb. \$7.00.

Back's Glory

The Second Best Early Cabbage

The Second Best Early Cabbage

From two to four weeks later than Copenhagen Market and will keep late without busting. The plants are very strong growing and produce large round heads.

Back's Hollander

or Danish Ballhead Short Stem

The Best Late Cabbage

Very hard and solid and produce large round heads of exceptionally good quality. This variety should yield over 25 tons to the acre under favorable conditions. It is a good late Keeper and one of the **Best for Storage**. The color of the outer leaves is Bluish Green and **BACK'S Strain of Hollander** is thereby easily recognized. We recommend this to be the **most reliable late cabbage**.
